- Click on the "Open" or "Save" button in the popup box

Assessment and Appeal Comments:

- Where a claim has been disallowed or changed, the Verification Team has tried to ensure that a comment explaining the change is included.
- Where an appeal has been lodged, appeal comments have been made.

TPI Funds

The 2010 dollar value for a point is \$4.00. A request for transfer of funds has been submitted to Finance and should hit Faculty/School cost centres soon. Please contact your School Administrative Officer to access funds.

Funds generated by TPI points should be used to improve the quality of Teaching and Learning at Curtin University. Examples of suitable use include: attendance at an appropriate conference, strategic teaching and learning initiatives, upgrading resources to enhance teaching. Decisions about how funds are spent must be negotiated with you Head of School under direction from the Dean of Teaching and Learning.

Feedback

Please contact the TPI team if you have any constructive feedback on how the process/system worked (and didn't work) during and post submission.
