J1/J2/J3: Finding and interpreting CEQ data

After you, have started an Owning Organisation claim and progressed to Step 2.

1. Click on the 'CEQ data' link

Owning Org Claim

2. CEQ scores above National Average

Points may be claimed for Course CEQ scores. There must be 10 or more respondents. Please check the **CEQ data** to determine if your course/major is eligible.

Select the course/major name from the drop down list below and add it to the item you want to claim under.

Using CEQ data for Biochemistry and Cell Biology as an example of points to be scored at Item J3, compare the 2009 information for your course (58.3) with the National results for that course (46.9). As course data (58.3) > National figure (46.9), this course is eligible for 100 points at Item J3.

Example:

Item CR8b: Generic Skills Scale

FOE in Course (Detail band)	2006	2007	2008	2009
Course: Biochemistry and Cell Biology (010901)	26.5	34.2	LR	58.3
Curtin: Biochemistry and Cell Biology (010901)	43.9	25.5	32	48.8
National: Biochemistry and Cell Biology (010901)	40.2	36.2	38	46.9
